Power for All Guest Contributor Guidelines

Do you want to submit a guest post to Power for All website? Here's what you need to know.

Power for All's various content platforms (website, newsletter, social media) reach nearly **40,000 people monthly**, and we're looking for more expert contributors from the SDG 7 ecosystem to expand our sector's influence even further.

If you would like to share your expertise and stories related to decentralized renewable energy with a large audience of influencers, we would love to hear from you.

Please take a look at this page, it should answer all your questions about the type of content we are looking for and how the submission process works. If you have more questions please reach out to contribution@powerforall.org

Your text should:

- Be clear, well-documented, well-written, and above all, engaging.
- Be between 250 and 400 words.
- Not be overly self-promotional.

You should:

- Provide attribution for all data cited with a hyperlink.
- Send us the text as a Word file or as a Google Doc.
- Include all images as separate attachments - for large files, please use cloud-based services like Google Drive or DropBox.

Please remember that:

1. The Power for All team reserves the right to edit and adapt contributions.

2. The Power for All team reserves the right to decline contributions.

How to Submit:

Send us your pitch or your completed post to contribution@powerforall.org with the subject line "Story Idea".

Thank you for your interest in contributing to Power for All. We look forward to hearing from you.
