Power for All Guest Contributor Guidelines

Do you want to submit a guest post to Power for All website? Here’s what you need to know.

Power for All’s various content platforms (website, newsletter, social media) reach nearly **40,000 people monthly**, and we’re looking for more expert contributors from the SDG 7 ecosystem to expand our sector’s influence even further.

If you would like to share your expertise and stories related to decentralized renewable energy with a large audience of influencers, we would love to hear from you.

**Please take a look at this page**, it should answer all your questions about the type of content we are looking for and how the submission process works. If you have more questions please reach out to contribution@powerforall.org

Your text should:

- Be clear, well-documented, well-written, and above all, engaging.
- Be between 250 and 400 words.
- Not be overly self-promotional.

You should:

- Provide attribution for all data cited with a hyperlink.
- Send us the text as a Word file or as a Google Doc.
- Include all images as separate attachments - for large files, please use cloud-based services like Google Drive or DropBox.

Please remember that:

1. The Power for All team reserves the right to edit and adapt contributions.
2. The Power for All team reserves the right to decline contributions.

**How to Submit:**
Send us your pitch or your completed post to [contribution@powerforall.org](mailto:contribution@powerforall.org) with the subject line "Story Idea".

Thank you for your interest in contributing to Power for All. We look forward to hearing from you.
